

Objective

To further build on my photography and design skills in an atmosphere conducive to my personal growth as well as the company's. Working in a team oriented environment based on communication and the sharing of ideas to develop the best possible solution to the daily challenges.

Employment

06/2011- present

Drohan Management Group

DMG provides support in the areas of accounting, data entry, information systems, communications, marketing, publications, and meeting planning. As the junior designer for DMG, I produce publication-ready materials and electronic presentations by preparing and formatting text and graphics for conferences, publications, and the web.

11/2008 - 06/2011

Carlyle Restaurant, Arlington VA

As a Server I provide the customer an amazing dining experience by making quick decisions and recommendations, as well as being a team player to ensure the guests expectations are surpassed in every way through multi-tasking, incorporating excellent communication, and people skills.

09/2006 - 08/2008

Bungalow Billiards, Arlington VA

As a Bartender and Server I served customers by mixing and serving alcoholic and nonalcoholic drinks. Served patrons by providing information to help food and beverage selections; presenting ordered choices; maintaining dining ambiance.

Interest

Film and digital photography, bookmaking/binding, biking, hiking, camping, basically anything in the outdoors, collecting 70's and 80's kitsch antiques as well as old film cameras, and spending my summer weekends at the urban market and winter indoors under a blanket.
